

EQ OF HIGH PERFORMING TEAMS WORKSHOP

How do you know if you have a high performing team?

The answer lies in the emotional intelligence (EQ) competencies of your team. This workshop focuses on the unique motivators of each team member, their individual emotional intelligence, and how to use that information to build a high performing team.

\$2,995
/PER WORKSHOP

Length: 3-hour workshop

Attendees: 15 maximum

Where: on-site at your location

*Please call for a quote for webinar version. This workshop is designed for an individual team or department of up to 15 people.
